Explore Diverse Subcontracting

As a current or prospective State Street prime supplier, your subcontracting to a diverse-owned business can add service value while boosting your diverse spend reportable to State Street

Diverse spend of prime suppliers is tracked and performance-rated through our Tier 2 program, with the potential to affect awarded business. Bidder responses to the RFP Supplier Diversity Questionnaire, including subcontracting commitments, account for 10% of evaluation points.

Subcontracting is directly related to goods or services that you are contracted to provide to State Street (aka Direct Tier 2 Spend) and is attributed to State Street at 100%.*
